TEXTURE BUBBLES PAINT

AARKA TEXTURE BUBBLES PAINT (ATB) is a water based paste which is specially formulated to achieve a fun bubbly texture which is smooth to touch.

LIts versatility enables the creation of many different textures to suit your needs. It can be paired with our other products to obtain a multitude of unimaginable textures. Aarka Texture Bubbles can be finished with our **Aarka Protective Top Coat**s to achieve Matt, Semi Matt, Gloss or High gloss finish, as desired.

Application:

Aarka Texture Bubbles is a ready to use paste. Water can be added if required for ease of workability. Numerous effects can be created with various rollers and tools.
